

IRISH SITUATION IS GREATLY CLARIFIED BY ACTION OF DAIL

Election of New Cabinet Smooths the Way for Putting Terms of the Treaty Into Effect—DeValera Says That He Will Not Obstruct Government—Labor Seeks Aid

(By The Associated Press)

DUBLIN, Jan. 10.—When the Dail Eireann adjourned tonight by consent of all sides to February 14, the situation which last night was dangerous and obscure, had been to a great extent clarified. The new president, Arthur Griffith and a new cabinet had been elected and the way had been smoothed to putting into effect the terms of the treaty.

Immense relief is felt in Dublin at the turn of events. The temporary withdrawal of Eamonn DeValera and his supporters from the Dail proved not to involve a permanent split. Mr. DeValera confined his protest to the election of a new president declaring his unwillingness to recognize the suitability to that post of a man who as chairman of the London delegation was bound to give effect to the treaty which, according to DeValera, subverts the republic.

During the luncheon hours Mr. DeValera and his associates who left the hall, held a private meeting. Some of the more ardent spirits advocated refusal to return, but moderate counsels prevailed and the Dail reassembled as a united body.

EFFORT TO BE MADE TO AVERT CONTROVERSY

Will Try to Get Rail Heads and Employees Together

(By The Associated Press)

WASHINGTON, Jan. 10.—Efforts to avert any possible controversy between railroads and their employees has begun it was learned today by Secretary of Commerce Hoover, who has, with President Harding's approval, called representatives of larger railroads and of the railroad brotherhoods and other unions affected into a series of conferences.

An agreement has been reached for a gathering next week of those concerned. Mr. Hoover indicated today that officials participating were hopeful of attaining some results, but that negotiations were not completed.

While all the disputed questions over wage reductions and abrogation of the national working agreements which the railroad labor board has authorized were taken up the chief object sought is to secure further settlements between the roads and employees without a proceeding being brought to that board.

Such an agreement, from the administration view would prevent strike calls or other moves which might result if the board was forced to take the differences to trial and issue mandatory decisions. So far the railroad executives have issued notices of intentions to apply for further wage revisions and thus have a case tentatively before the board, no meetings looking towards a settlement of the issue have been held.

DEPUTY FACTORY INSPECTOR MADE VISIT HERE

James J. Mullen, deputy factory inspector, was in the city Tuesday and in company with M. L. Hill, also deputy inspector, considered several cases for the department here. The particular purpose of Mr. Mullen's visit was to make an inspection of the elevator at the plant of the Cannon Commission Co., where an accident occurred several months ago. Mr. Mullen has been associated with the division of factory inspection for a period of twelve years or more and is thoroughly versed as to rules and practices of the department.

SUIT IS STARTED AGAINST CEMENT COMPANY TUESDAY

Charge Illegal Combination To Restrict Trade

(By The Associated Press)

WASHINGTON, Jan. 10.—Institution of a suit in Denver, under the Sherman anti-trust act against the Cement Securities company its sixty subsidiary cement manufacturing companies, and their officers and directors was announced today by Attorney General Daugherty.

The defendants Mr. Daugherty said were charged with having entered into a combination to restrain and monopolize interstate trade and commerce in Portland Cement in the states comprising the Rocky Mountain region of the United States.

The suit, he added, is directed against the Cement Securities company of Denver, the Colorado Portland Cement company, Union Portland Cement company, Three Forks Portland Cement company, The United States Portland Cement company, Oklahoma Portland Cement company and Nebraska Portland Cement company, having mills for the manufacture of Portland cement in the states of Colorado, Utah, Montana, Oklahoma and Nebraska. Among the individual defendants, he said, who are officers and directors of the several corporations are C. D. Nichols, Oklahoma City; E. E. Bruce, Omaha, C. F. Seibold, Danbury, Iowa and M. O. Matthews, Oklahoma City.

The suit filed is one of a series of anti-trust proceedings instituted with a view of restoring competitive conditions in the cement industry throughout the country the attorney general declared.

"The Cement Securities company," he said, "neither manufactures nor sells cement, it is strictly a holding company and constitutes a monopoly of the type which was condemned by the supreme court of the United States in the so-called Northern Securities case decided in March 1904.

In the cases heretofore instituted at New York City, Chicago and Kansas City, the defendants are charged with accomplishing their unlawful objects by the modern method of so-called open price associations and the exchange between members of comprehensive statistical data with respect to the business of each.

SHIPPING BOARD ASKS CONGRESS FOR \$50,000,000

That is Only Part of Claims Filed Against the Board

(By The Associated Press)

WASHINGTON, Jan. 10.—An appropriation of \$50,000,000 for settlement of claims was requested of congress today by the shipping board. The amount is needed in addition to \$50,000,000 already sought by the board for expenses during the coming fiscal year, a communication forwarded to Speaker Gillett by President Harding from the budget bureau stated.

Total claims pending against the board congress was informed, totaled \$398,428,845.59 offset by claims of the board against various individuals and companies amounting to \$79,268,166.65 leaving the net total of claims against the board at \$319,160,678.94.

Of the \$50,000,000 requested \$30,000,000 the communication stated is needed at once. The shipping board reported that \$54,000,000 in admiralty claims were pending against it while claims totalling \$62,000,000 had been presented before the court of claims. No appropriation is needed at this time, congress was told, for settlement of these two classes of claims as the shipping board is over-tending a present case to congress and the court has handed down its verdict.

Chairman Lasker said he could not predict the amount for which the claims could be settled as it was impossible to negotiate compromise until money was available to make settlements. A big saving could be effected however, if the claims could be settled by compromise out of court, he said.

GOES TO TESTIFY BEFORE COMMITTEE

Chillicothe, O., Jan. 10.—O. J. Simmonds, who as quartermaster colonel had charge of the large American supply depot at Gieves where it is alleged twelve hangings took place, left here tonight for Washington to testify before the senatorial committee investigating the hangings during the world war. Simmonds recently stated that but one hanging took place at Gieves, that of a military prisoner for the brutal murder of his guard.

GALOSHES WILL SOON BE OUT

Chicago, Jan. 10.—The heavy flapping galoshes will soon lose popularity with the women and girls according to exhibitors at the national shoe retailers exposition today. They are to be supplanted by the Russian boot according to shoe men. The footgear on exhibition which dealers say will dethrone the galosh is a patent leather boot topped with red leather stripes.

C. B. MILLER WELL KNOWN G. O. P. LEADER IS DEAD

Secretary of Republican National Committee

(By The Associated Press)

ST. PAUL, Minn., Jan. 10.—Clarence B. Miller, of Duluth, Minn., secretary of the Republican National Committee and former congressman, died at a hospital here late today. He was operated on for appendicitis January 2, and his condition became critical due to heart trouble.

Mr. Miller became ill while visiting in Duluth during the Christmas holidays, and when he was taken to the hospital here it was necessary to postpone an operation for a day on account of his weakened heart.

For several days after the operation for appendicitis Mr. Miller's condition was declared "very critical" but on Sunday it was said he had shown great improvement. Last night however, complications developed and he weakened the end coming at 4:35 p. m.

Mr. Miller was born in Goodhue county, Minnesota in 1872 and graduated from the Academic department of the University of Minnesota in 1895 and from the law school in 1900. He was one of the founders of the Minnesota Daily, official university publication.

Establishing a law practice in Duluth, Mr. Miller was elected state representative, serving in the 1907 legislative session and the next year was elected to congress from the eighth Minnesota district. He served ten years in congress.

In 1919 Mr. Miller was chosen assistant secretary of the Republican National Committee and at the beginning of the Republican campaign in the spring of 1920, was made secretary. After the campaign Mr. Miller carried on his law practice in Washington, D. C.

In congress Mr. Miller at various times served on the committees of foreign affairs, interstate, insular affairs and Indian affairs, and made two trips to the Philippines on investigation work for congress.

Mr. Miller was a thirty second degree Mason; a member of the Scottish Rite and also a member of the Elks. He was connected with a number of business enterprises.

WANT EXPORTS ON GOLD STANDARD BASIS

(By The Associated Press)

CHICAGO, Jan. 10.—Resolutions urging that prices on exports from Germany and Austria be placed on a gold standard basis were forwarded to Washington today by the directors of the Illinois Manufacturers' Association which adopted them yesterday.

The resolutions stated that depreciating currencies in Germany and Austria make it impossible for either country to sell a large percentage of their goods for export at a profit.

Germany and Austria cannot recover and other countries will suffer if this condition continues, the resolutions said. Copies were sent to the president, cabinet, secretaries of state and commerce, chairman of the senate committee on foreign relations and the United States members of the conference for limitation of armaments.

VISITORS TO JAIL

GET TAKEN IN.

CHICAGO, Jan. 10.—Today was visitor's day at the Cook county jail and after it was over twenty visitors found themselves inside looking out, instead of outside looking in. A squad of detectives went to the jail in the belief that persons wanted by the police would come to see some of their friends in jail. The score of men seized is said by the police to include several men wanted for burglaries and holdups.

ZION CITY TO HAVE WHITE WAY.

ZION, Ill., Jan. 10.—Zion where such things as cigarette smoking by men or the wearing of low-necked dresses by women are looked on as the worst sins is to have a "great White way" which the city announces will not be surpassed in illumination even in New York's Broadway.

Mayor Clendenen in a statement tonight said the lights would be erected at intervals ranging from 50 to 100 feet and would extend half a mile thru the city. Zion is a settlement of members of the Christian Catholic Apostolic church of Zion.

JUDGE IS ILL

COURT ADJOURNS.

LOS ANGELES, Cal., Jan. 10.—The trial of Arthur Burel charged with the murder of J. Belton Kennedy, was adjourned at 2 o'clock today because of illness in the family of Judge Sidney N. Reeve, presiding. Asa Keyes, deputy district attorney expected to resume his argument to the jury tomorrow.

BRIEFS

(By The Associated Press)

ANWERT, Ohio, Jan. 9.—Four children were instantly killed and 17 others were injured this morning, when a school bus was hit by a Pennsylvania fast freight, three miles east of here. A heavy fog prevented the driver from seeing the approaching train.

CHICAGO, Jan. 10.—Taxation problems were up for discussion here today at a tax congress held under the auspices of the Illinois Manufacturers' Cost association. On the program were some of the foremost tax experts of the country.

DECATUR, Ill., Jan. 10.—A well-dressed man with a loaf of bread under his arm walked into a grocery store here, this morning, produced a revolver with which he made the manager and clerk get under a counter while he picked up \$135 from the cash register. He left the loaf of bread.

DIXON, Ill., Jan. 10.—Fifteen hundred dollars worth of liquor taken by Dixon police in raids during the past several months was poured into the sewer last evening under orders of Circuit Judge O. F. Heard.

DECATUR, Ill., Jan. 10.—Officials of the Lincoln Oil Co., oil well, brought in near Decatur recently said today they expected to start pumping by Thursday or Friday of this week. There still remains about eight feet of debris to be cleared from the well following the shot. There is 1400 feet of fluid in the tube.

ST. LOUIS, Jan. 10.—Matthew G. Reynolds, former circuit judge here and who served as representative in the Missouri legislature in 1884, died early today after a brief illness due to pneumonia. He was 86 years old. Judge Reynolds was born in Bowling Green, Mo. He was married in Louisiana, Mo., in 1888.

DEKALB, Ill., Jan. 10.—John H. Lewis 70, one of DeKalb's most influential and wealthy citizens, died last night as a result of a paralysis with which he was stricken soon after the death of his sister, two months ago. Mr. Lewis was interested in the first wire mill established in DeKalb and also was one time one of the leading druggists of the section. He was the father of Mayor James Lewis of this city, and was well known in financial circles throughout the middle-west.

RECOMMEND SALE OF LAND OWNED BY GOVERNMENT

Would Dispose of Land Used For Army Camps

(By The Associated Press)

WASHINGTON, Jan. 10.—Sales of scores of tracts owned by the war department and the consolidation or abolishment of a number of army activities are recommended by a house subcommittee, which, after months of investigation into the advisability of disposing of war department property, made public its report today. The finding must be approved by the house military committee before action can be taken on them by the house and senate.

The sub-committee of which Representative McKenzie, Republican, Illinois, was chairman, approved in their entirety recommendations of the war department as to the disposal of dozens of army posts and minor reservations no longer needed for war purposes.

Every military post the subcommittee held should have shop facilities with sufficient mechanical among enlisted men to do repair work.

Abandonment of remount depots at Fort Reno, Okla., and Fort Royal, Va., was recommended, with the suggestion that all remount activities be centered at Forts Keoh, Montana, and Robinson, Nebraska.

Two artillery ranges are not needed in the southeastern part of the United States, the report stated, recommending "emphatically" that either Camp Bragg in North Carolina, which is a tract of 120,000 acres, or Camp Knox, Kentucky, which is 30,000 acres in size, be sold.

The report stated that a large number of bases utilized during the war by the army for warehouses should be sold, but no specific recommendations were on this subject.

REGIRA OF BOY ENDS IN CHICAGO

Chicago, Jan. 10.—The regira of Earl Beebe, 11 years old, from his home at 6164 Vermillion street, Danville, Ill., to Chicago in search of work to enable him to support his mother ended last night when, without money and hungry, he was found in the Atchison, Topeka & Santa Fe railroad freight yards. He was looking for a train to carry him back to his home.

The South Clark Street Station the boy said that his stepfather, Philip Burke, a butcher, supported the family until the advent of prohibition after which he spent his money for "moonshine" whiskey.

GROSSUP WILL

HAS BEEN FILED

Chicago, Jan. 10.—The will of the late Peter S. Grosscup, former judge of the United States court of appeals, which was admitted to probate here today showed that the estate was valued at \$209,000. At the time of the former jurist's death in mid-ocean several months ago, it was thought that another will would be found, but it was not. Judge Grosscup's will left \$400,000 to Mrs. Katherine Grosscup Moon, an adopted daughter and made other bequests to three nephews which indicated that the estate would amount to more than \$500,000.

REPARATIONS ARE AWAITING CABINET REPLY

French Premier Must Get Word from the French Cabinet

(By The Associated Press)

CANNES, Jan. 10.—As the reparations settlement which held up until tomorrow because the French premier, M. Briand failed to receive a reply from his cabinet at Paris to his report on proceedings at Cannes, the Franco-British pact held the attention of the members of the supreme council today.

After two talks with Premier Lloyd George, M. Briand declared the negotiations were a good way towards success but that nothing had yet been decided in the form of a treaty which is taken to mean that the draft now before the British cabinet is merely a British suggestion which will be submitted to the French Premier after it is passed upon at London.

It is the intention of Premiers Briand and Lloyd George to go over every question involving differences of policy but M. Briand said there were not many. The submarine question he thought would disappear when France and Great Britain became allies.

The German delegation of economic experts called to Cannes by the councilors, will arrive tomorrow morning and will be heard along with the reparations commission as soon as final decision is received on the proposed new reparations terms.

When the two premiers saw the Italian premier, Signor Bonomi this afternoon there was disposition to welcome Italian adhesion to the agreement, but it was understood this evening the chances are that Italy's entry into the alliance must be the subject of separate negotiations as the French and British have not now time to go over the entire subject again with Italy. The pact in thought to be merely a defensive one, Great Britain agreeing to come to the aid of France if she is a victim of an unprovoked attack. The general understanding is that it contains a clause that international before the war, except that France must give up all idea of gaining any greater influence than she now has at Tangiers.

It is persistently reported that the agreement provides that the Angora treaty between France and Turkish nation must be revised in a manner more favorable to British and Italian interests.

WASHINGTON, Jan. 10.—The Newberry election controversy in the senate revealed today under surface indications of a lightning fight in the opinion of leaders with the title to Truman H. Newberry's seat as senator from Michigan, which has been challenged by Henry Ford, his Democratic opponent in the 1918 election hanging in the balance. Both sides claimed victory tonight, Mr. Newberry's supporters predicting a majority of four to seven votes, while his opponents declared he would be uneaten by a margin of three to five votes.

Senators Borah, Republican, Idaho, and Robinson, Arkansas, and Ashurst, Arizona, Democrats, contributed today to the attack being waged against the resolution clearing the Michigan senator's title to his seat.

Five senators, Watson, LaFollette, Wisconsin, Norris, Nebraska, Republicans, and Caraway, Arkansas and Pomerene, Ohio, Democrat, have indicated their intention to discuss the case tomorrow. There are many others who have said they desired a "final word."

PECK PLEASED WITH TRANSFER

Cleveland, O., Jan. 10.—"If I am able to play, but gap at shortstop, Washington ought to do pretty well in the American League race next season," declared Roger Peckinpaugh tonight when informed that the deal which makes him playing manager of the Nationals had been completed.

"It's great news and I certainly am happy," Peckinpaugh continued. "I am pleased that Washington did not give up First Baseman Joe Judge to get me from Boston as I regard him one of the best in the game."

SCHOOL TEACHER WOUNDED BY PUPILS

Princeton, Ky., Jan. 10.—Ernest Howton, school principal at Hewitt, near here was stabbed probably fatally today by two pupils when he attempted to punish them for infractions of school rules. Howton was wounded several times in the back, shoulder and arms. The pupils alleged to have attacked him are Otis and Aubrey Blalock, brothers, 14 and 16 years old.

TREATY WAS PUT IN FINAL FORM AT CONFERENCE

Geographical Scope Still Remains to Be Settled

(By The Associated Press)

WASHINGTON, Jan. 10.—(By the A. P.)—Except for details of the Pacific fortifications agreement and half a dozen lesser questions of phraseology, the five power naval limitation treaty was put into final form today at a conference of the heads of the American, British, Japanese, French and Italian delegations.

The question of geographical scope was understood to be the chief point remaining unsettled in the fortifications status quo in the Pacific. The Japanese were said to have agreed tentatively to an American draft to the article but to have deferred final action until they communicated with Tokio. Some of the delegates predicted today that the full naval committee would not be called to act on the treaty before Thursday or Friday and that no plenary session would be held until next week. A majority believe the Washington conference would last until late in January. The days discussions both among individual delegations and at the meeting of the "big five" are understood to have revealed a growing inclination to exclude the submarine and poison gas resolutions from the naval treaty and make them the subject of a separate agreement. Meantime the Shantung negotiations which for several days have appeared to be near the verge of dissolution took a new lease on life. Without settling for the present the decentral agreement over the return of Tsing-Tao-Tsinan-Fu Railroad the Japanese and Chinese agreed to resume their separate conversations tomorrow in an attempt to clear away other points of difference. It was indicated that Secretary Hughes and Arthur J. Balfour whose tender of good offices have not been formally accepted by both parties to the controversy nevertheless were working quietly for a settlement.

In some quarters there were suggestions that President Harding might be asked to mediate in the railroad dispute but it was said at the White House that so far he had received no formal invitation to do so.

The five delegation heads came together to discuss the naval treaty today after each national group had met separately and completed the detailed study of the text begun yesterday. At the end of a three hours session the "big five" adjourned to meet again tomorrow morning in agreement so far as policy was concerned on all the provisions except Article 19, relating to the Pacific fortifications.

A half dozen other articles, it was said, remained to be finally cast into legal phraseology but none of these seemed to present any considerable difficulties.

MANY FARMERS OUT OF ASSOCIATION

(By The Associated Press)

SPRINGFIELD, Ill., Jan. 10.—Five thousand farmers dropped out of the Illinois Agricultural Association during the past year, according to the treasurer's report submitted to the executive committee on the eve of the annual meeting of the association which opens tomorrow. The present membership was said to be 101,200.

Delegates from ninety five county farm bureaus are expected to determine tomorrow the extent to which organized farmers of the state will pursue activities in co-operative marketing this year.

Declaring that the state tax commission placed an additional tax burden of \$54,923,384 on farm lands, without a corresponding increase on other classes of property association leaders tonight asked William H. Malone, a member of the state commission to make explanations to the delegates tomorrow.

GALLI-CUREL TO SING IN CHICAGO

CHICAGO, Jan. 10.—There is little likelihood that Madame Galli-Curel will desert the Chicago Opera company at the end of this season, even though she has been signed to appear with the Metropolitan Opera company in New York next year, according to opera officials here.

Reports that Galli-Curel has agreed to sing here for six weeks next season could not be confirmed because, officials said, plans involving a re-organization of the company have not been completed.

Galli-Curel said she "would love to sing again next year with the Chicago company."

MANY TRAINING FOR MINISTRY

(By The Associated Press)

CHICAGO, Jan. 10.—More men and women are being trained for the ministry today than ever before, according to the report of the life work committee at the annual meeting of the council of church boards of education here today.

Practically all Protestant denominations have a marked increase in the enrollment in the seminaries over last year, the report showed.

In the Presbyterian churches the increase is 17 per cent, the report said.

The report urged that young people of high school age be given help that they may decide the question of their life work from a Christian viewpoint.

MORE WITNESSES GIVE TESTIMONY IN SENATE PROBE

Some Testify for and Against Major Opie

(By The Associated Press)

WASHINGTON, Jan. 10.—Nearly a dozen witnesses, all from Virginia, broke about even for and against Major Hierome L. Opie of Staunton, Va., before a senate committee investigating charges that American soldiers had been hanged without trial in France. But at the all day session there was no evidence relating specifically to hangings.

It all swung around charges that Major Opie, as commander of the Third battalion 11th Infantry, had shot some of his own men. Men who had served with the regiment said they had seen Major Opie shoot runners in October, 1918, while his command was in the Argonne offensive. Others who were with the officer on the dates mentioned asserted that he had shot no one and that he only tried to stop some of his men apparently in disordered retreat.

Chairman Brandegee, endeavoring to ascertain the exact number alleged to have been shot. Some members doubted whether the witnesses had seen and were attempting to describe the same alleged slaughter.

Counsel for Major Opie at the conclusion of the Opie testimony expressed the hope that there might be a speedy finding and asked that further evidence relating to him might be presented at one time.

Senator Watson, Democrat, Georgia, whose speech in the senate led to the investigation, opposed any attempt to single out the Opie case, declaring he was the prosecutor, that he had not brought the major's name in and that the major himself was the first to give the charges publicity after a witness had told of the shooting of a man by an official designated as "Major Opie."

A special date will be fixed for re-opening the charges by the committee in the event further statements should be forthcoming.

The most direct testimony against Major Opie today was given by Charles E. Fox of Richmond, Va., who swore he saw the officer shoot a runner in the back. The hearing will be resumed tomorrow, army officers being among those summoned.

PROHIBIT AGENTS NOW HAVE TO DEAL WITH HOME BREW DRUGS

Farmers Are Now Going on Home Brew Drug Jags

(By The Associated Press)

CHICAGO, Jan. 10.—In addition to the troubles brought on them by manufacturers of moonshine whiskey, federal agents now have home brew narcotics added to their list of worries, it developed today.

When the case of D. H. Leiss of Seneca Falls, N. Y., was called first to give the charges showed a Carpenter, Leiss pleaded guilty of violating the Harrison drug act and explained that 2,500 grains of morphine found in his possession were homemade. He was sentenced to six months in jail.

Later the federal grand jury indicted Herman Root, a farmer of Lisle, Ill., for alleged violation of the Harrison drug act and officials say that analysis of drugs found in his possession showed they had been made from herbs grown in the vicinity of his farm.

Federal agents said they had reports that many farmers in the vicinity of Lisle were going on "home brew" drug "jags" and that plans had been made to send the homemade narcotics all over the country.

If you feel dissatisfied about the Jacksonville tax rate of \$6.73 do not sell out and move to Decatur. The rate in that progressive high class city is \$8.37.

Delegates to the Illinois drainage and river improvement com-

vention in Springfield today will be told how vast acreages of land can be reclaimed in this state and produce 50,000,000 or more bushels of corn a year. Perhaps agriculturists will not care for this information when they take into account that the big crop of 1921 had something to do with the present low price.

The Chicago building strike is on again, with the chances that thousands of workers will join the unemployed and continue the unemployment for months to come. Many a man down state wonders how these men in the cities who spend most of their time in striking manage to make a living for themselves and families. It must be a great thing—this ability to live without work.

In Logan county the farm advisers resigned and the directors were not long in selecting a successor, although they made a thorough investigation as to the fitness of the appointee. The Logan county farmers seem to feel that the work of the bureau is more im-

portant now than ever before. That is the correct view, for it is in the difficult days of agriculture that there is demand for the best and most economical methods and the application of the best farming principles.

So it is reasonable to think that the period of depression will increase the need for farm bureau work and the interest in it.

The discussion of a new franchise for the street car system of Decatur has been under way for weeks and various committees have been appointed to investigate the subject and make recommendations.

One plan proposed is service at cost, allowing the company a fair profit will produce a moderate interest return and the operating expenses. Service at cost for street railways in the smaller cities in these days of automobile transportation would mean higher fares than those usually charged.

Senator Newberry has his back against the wall in the fight for a seat in the senate and certainly his defense has all the marks of a straight-forwardness. It is admitted that the huge sum of \$195,000 was used in his election, but he was in the navy service and out of the state at the time, and his knowledge of the extent of the expenditure until after investigation was begun.

One cause of the trouble is in the law itself. Anybody at all familiar with political affairs knows that the legitimate expenses in an active, state-wide primary campaign will run into sums far larger than the law fixes as proper. If the candidate does not furnish the funds his friends must do so, as a campaign of state-wide extent is necessarily very costly.

COMPLETE PLANS FOR

BOULEVARD LIGHTS

The boulevard light committee of the Chamber of Commerce, consisting of F. E. Farrell, W. S. Ehnie and Albert Metcalf, have completed plans for the boulevard lighting system from the Pacific hotel to the C. & A. and C. B. & Q. stations.

The plan calls for thirty four of the lights, the installation of which will cost about \$1800. The lights are of the heavy bracket type and will be fastened to the iron poles used by the Jacksonville Railway & Light Company. The "White Way" along East State street will soon be an actual fact.

I WILL not be responsible for bills contracted except by myself. Roland Morris.

JURY FAILS TO AGREE IN HENLEY CASE

Second Trial of Veterinarian Has Same Result as the First.

The jury which heard the case of the people against Dr. R. C. Henley, charged with practicing without a license, failed to agree Tuesday in the court of Justice A. B. Opperman. The case was tried a few days since and at that time the jurors did not agree.

The jurors who served yesterday were J. H. Rihbey, W. J. Brown, J. H. Campbell, John S. Sheppard, J. W. Finch and W. Stubblefield.

The proceedings against Dr. Henley is instigated by the Veterinarians association, the organization charging that Dr. Henley is breaking the law by practicing without license. For ten or twelve years Dr. Henley has served as an assistant to veterinary surgeons here and in Sangamon county and it is maintained that under such circumstances no license is necessary.

The defendant was practicing with or under Dr. Willerton until the latter went to Arizona several months since for an extended stay. It is understood that a third trial of the case is soon to take place in Judge Opperman's court.

INSURANCE COMPANY

ELECTED OFFICERS

Jacksonville Farmers' Mutual Company Held Annual Meeting—Company is in Prosperous Condition.

The directors of the Jacksonville Farmers Mutual County Fire Insurance Association met at the Farmers State Bank & Trust company yesterday for their annual election of officers.

A large number of the directors were present to hear the secretary's report for the year past. This report shows the association's insurance to total \$1,169,717. This is an increase of \$104,000 during the past year. The association has suffered two losses, totaling \$4700, making an assessment of 44 cents on every \$100 valuation. This makes the average assessment during the last five years 22½ cents on every \$100 valuation.

Three new directors were elected for a period of three years: C. S. Black, J. A. Litter and Alvin Shumacher.

The officers elected for the ensuing year are as follows:

President—C. A. Rowe.
Vice president—J. W. Leach.
Treasurer—C. S. Black.
Secretary—A. C. Rice.

The association was first chartered in 1876, and is counted among the old and substantial companies. The directors are pleased to report that it is in a very harmonious and prosperous condition.

PROBATE COURT.

In the estate of H. E. Deatherage, final report was approved. In the estate of A. B. Green the letters of administration were ordered to issue to Minnie R. Green and bond was fixed in the sum of \$96,000.

NOTICE.

Is hereby given that Elliott State Bank, a corporation of Jacksonville, Illinois, by vote of its stockholders, and in the manner provided by law, has increased its capital stock from One Hundred and Fifty Thousand Dollars to Two Hundred Thousand Dollars, and that the capital stock of said bank is now Two Hundred Thousand Dollars. The additional Fifty thousand Dollars capital stock was fully paid for by transfer of Fifty Thousand Dollars from surplus to capital and was then distributed as a stock dividend.

Dated January, 1922.

OLD JACKSONVILLE

PRESIDENTS OF ILLINOIS COLLEGE

(BY ENSLEY MOORE)

Member Illinois State Historical Society

Presidents of colleges, unlike those of the United States, serve so long that people generally must take little thought of their succession.

Edward Beecher presided after the organization of Illinois College, from 1829, although the institution was really established in December of 1829. He did not at once come here, but appeared first in December of 1830. That was the winter of the "Deep Snow," so the Easterner saw something of nature, if there was little of college or students to attract his attention.

Mr. Beecher spent part of the winter at Vandalia, endeavoring to secure a charter for the college, but the virtuous legislators were fearful of the effect on the people of too much learning, and a charter was not secured until 1833, when logrolling by several institutions secured charters for five. Illinois College and Jacksonville Female Academy being of the number.

Mr. Beecher came back here during the winter, but soon returned to the East, to seek funds for his undertaking.

Prof. Julian M. Sturtevant had begun teaching here Jan. 4, 1830, and he continued thereafter.

Mr. Beecher, with Theodor Baldwin, was quite successful in the Eastern campaign, and the college made decided progress in several ways, including buildings, and a Faculty of four members.

In the Spring of 1842, President Beecher felt compelled by the needs of his family and of the college to return to the East as at least a temporary residence and this ended in his resignation in the Spring of 1844, to take the Salem Street church in Boston, Massachusetts. This brought about the selection of

President Sturtevant in 1844, and he held the high office, and saw the fine development of his charge until the year 1876, when his age led him to retire. He retained, however, the chair of mental and moral philosophy, until the year 1885, when he was released from all official relation to the college. He was then eighty years of age, and had been a power for good in many ways besides upbuilding the first college in Illinois.

In February of the year 1886 he entered into his rest—well deserved.

Prof. Rufus C. Crampton filled the interregnum following Dr. Sturtevant's resignation as President until 1882, when Crampton Hall was built.

The Rev. Edward A. Tanner, D. D., Professor of Latin Language and Literature was selected as Mr. Sturtevant's successor.

He was graduated from Illinois in 1857, taught in a college near Portland, Oregon, and became a professor in Illinois College in

1865, from which position he stepped up to the Presidency. Dr. Tanner was a native of Waverly, this county, and understood the needs of the College, to which he gave the ambition and love due his Alma Mater. Under his active and efficient labors aided by the social graces of his faithful wife—Marian Brown Tanner—the institution grew in many ways besides the attendance. The Gymnasium was added under his administration, assisted by the valuable efforts of his son the Rev. Allen A. Tanner.

President Tanner did not have the great constitution of Mr. Sturtevant, and he "fell in the harness," pulling for years beyond his strength, in 1892.

John E. Bradley, Ph. D., L. L. D., came here as President in the fall of 1892, and actively and wisely carried on the duties of the office. Under his administration the Jones Building was added to the group upon the campus and some additional endowment secured. His wife was also an able assistant in the matter of entertaining students and friends of the college.

Dr. Bradley had been Superintendent of Public Schools in Albany, N. Y., and Minneapolis, Minn., from which place he came here, and went to Massachusetts, where he and his wife dwelt for a few years.

Rev. Clifford Webster Barnes followed Dr. Bradley as President in 1900, remaining until the year 1905. He made considerable improvement in some regards, and erected the handsome residence for the Presidents, on the southwest corner of the campus. Again the wife was to be noted, and Mrs. Barnes adorned her station, as high position socially had taught her how to do.

Dr. Barnes returned to Chicago in 1905, where he has since been conducting "Sunday Evening" services.

Charles H. Rammelkamp, Ph. D., A graduate of Cornell University, who had had charge of the department of History and political science since 1902, succeeded Dr. Barnes in 1905, and has filled the office of President since. He secured the valuable help of Miss Jeanette Capps as wife and social leader, and they have welcomed old students and many new ones to the campus.

Co-Education including the taking over of Jacksonville Female Academy and the Illinois Conservatory of Music, came under Dr. Barnes.

Acting Presidents. As already stated Prof. Crampton acted as President of the College, 1876-1882; Prof. Harvey W. Milligan, A. M., M. D., filled the temporary vacancy in 1892; Milton E. Churchill, Litt. D., in 1899, and Mr. Julius E. Strawn, A. M., in 1905.

SURPRISE FOR AGED

LITERBERRY WOMAN

Mrs. Eliza Ratliff was given a very pleasant surprise Tuesday evening at the home of her son, A. Ratliff, in Literberry. The occasion was the seventy-seventh birthday of Mrs. Ratliff and although she was taken completely by surprise she soon recovered and was able to make her guests feel doubly welcome.

A splendid supper was served at 6 o'clock and afterward came several hours spent in a very pleasant social way. The guests were Mrs. David Blair and grandson of Chandlerville; Mr. and Mrs. Arthur Litter and daughter; Mrs. and Mrs. John Daniels and

family; Mrs. Sarah Stephenson, Mr. and Mrs. W. W. Young and family; James Litter, Mr. and Mrs. Jesse Litter, Mr. and Mrs. C. T. Berry.

DOKAYS TRIM FRANKLIN INDEES

Defeat Visitors by Score of 24 to 14—Second Half Was Hard Fought.

Udlerim, Temle D. O. K. K. basketball team won its first home game in David Prince gym Tuesday evening when it defeated the fast Franklin Independents by a score of 24 to 14.

The game was hard fought especially in the second half when Franklin rushed a lot of fresh men into the fray. The Dokays, however, would not be denied and continued to make points, equaling the total in the first half.

Wood and Lucas were the main cogs in the Dokays' offense while Sweet and Beerrup were the chief point makers for Franklin. Reynolds and Jones played an excellent game at the guard positions for the local team and Franklin found it a difficult proposition to get by them.

The Dokays have a strong aggregation and expect to play a number of games at home. Fans who appreciate good basketball should patronize the games as it takes money to bring teams here.

The marriage of William Megginson of Woodson and Miss Mabel Thies of this city was solemnized in Havana on December 20, according to announcement just made to friends of the bride and groom. The ceremony was performed by Judge Carl F. Taylor of Havana and was witnessed by only a few friends.

The bride is a daughter of Fred H. Thies residing at 333 West Morgan street. She is a member of Central Christian church and is active in various lines of church work. She is a young woman of many accomplishments and is popular among a large number of friends.

Mr. Megginson is a member of a well known Morgan county family and is known as one of the substantial farmers of the Woodson community. He and his bride are now residing at 333 West Morgan street in this city. Their many friends unite in wishing them a happy wedded life.

RECEIVED NEWS OF BROTHER'S DEATH

Mrs. George LaRue Called to Kansas City by Death of Brother.

Mrs. George LaRue of 654 South Diamond street received a message Tuesday morning telling of the death of her brother, Albert LaRue, in Kansas City. No particulars were given other than that Mr. LaRue had been shot, his death following within a short time.

The deceased a number of years ago resided in Alexander, later removing to Kansas City where he was engaged in business. He had a number of friends in the county all of whom will regret to know of his death.

It is probable that the remains will be brought to this county and interred in the family burial lot at Antioch church. Mrs. LaRue left Tuesday at noon for Kansas City and will accompany the remains here.

REES LIVESTOCK SHIPPERS MEET

Annual Meeting of Association Held at Farmers Elevator Office Recently—Officers Named for Coming Year.

Members of the Rees Livestock Shipping association held their annual meeting at the office of the Rees Farmers Elevator Co. Monday afternoon. The report of the manager, C. L. Hawker, shows the association to be in a prosperous condition, 46 cars of stock having been shipped during the year with satisfaction to the members. Much credit is due Mr. Hawker for his work in promoting the interests of the association.

The association voted in favor of becoming affiliated with the Producers Livestock Commission Co. at the National Stock Yards in East St. Louis. The directors have decided to erect a stock scales for the use of the association at Rees.

The officers elected for the coming year are:

President—Charles R. Gibson. Vice president—Samuel Darley. Secretary and treasurer—E. D. Scott.

The directors selected E. D. Scott to serve as manager, altho Mr. Hawker will continue to fill that office for a time. He expects to remove from the community at a comparatively early date.

How to Care for Your Eyes

Eyestrain is one of the most insidious evils of the times. Hard usage, bright lights, nervous tension—all put too great a load upon the eyes.

The only safeguard is to wear the proper glasses as soon as you need them—possibly for a short time only.

Have Your Eyes Examined

The only safe plan is to have your eyes examined before this strain weakens the delicate nerves and muscles that control vision.

FFICIALS OF GOVERNMENT FAIL TO AGREE Would Fix Policy Toward Trade Associations

WASHINGTON, Jan. 10.—Efforts to arrive at a definition of the government's policy toward trade associations in the light of the recent decision of the supreme court in the case of the hardwood lumber association, failed again today at a conference of Attorney General Daugherty with Secretaries Hoover and Wallace. Further conferences will be necessary Mr. Daugherty said in order to reach an agreement outlining the government's attitude toward these associations under the anti-trust laws and their collection of trade data for publication by the commerce department. Legitimate functions of trade

associations would be encouraged by the justice department, Mr. Daugherty declared, but no concessions would be made which would weaken the rules laid down by the decision. A number of proceedings had been instituted by the government at considerable expense and the department would be careful not to sacrifice the victory won in the hardwood decision.

In formulation of a federal policy, however, he added, it was only a matter of agreeing what to tell the public trade associations they could do and what they could not do.

NERVOUS AND HALF-SICK WOMEN

These Letters Recommending Lydia E. Pinkham's Vegetable Compound will Interest You

For Your Own Good Please Read Them

Youngstown, Ohio.—"Last fall I began to feel queer and my back hurt me and I could hardly do my little bit of housework. I was played out when I would just sweep the room and would have to rest. I would have to put a cushion behind me when I would sit down and at night I could not sleep unless I had something under my back. I had awful cramps every month and was just nearly all in. Finally my husband said to me one day, 'Why don't you try Lydia E. Pinkham's medicine?' and I said, 'I am willing to take anything if I could get well again.' So I took one bottle and a second one and felt better and the neighbors asked me what I was doing and said, 'Surely it must be doing you good all right.' I have just finished my eighth bottle and I cannot express to you how I feel, the way I would like to. If you can use this letter you are welcome to it and if any woman does not believe what I have written to be true, she can write to me and I will describe my condition to her as I have to you." —Mrs. ELMER HEASLEY, 121 S. Jackson St., Youngstown, Ohio.

"I would often sit down and cry, and was always blue and had no ambition. I was this way for over a year and had allowed myself to get into quite a serious condition. One day I saw your advertisement in the daily paper and began to take Lydia E. Pinkham's Vegetable Compound at once. I have improved ever since taking the third bottle and I find it is the best medicine I have ever taken."

Benefited by First Bottle "I was completely run down and not able to do my housework. I just dragged myself around and did not have energy to get up when once I sat down. I read advertisements of Lydia E. Pinkham's Vegetable Compound in our paper 'The Indiana Daily Times,' and learned all about it. I received results from the very first bottle and now I am doing all my own work, even washing and ironing, and I never felt better in my life. I tell all my friends it is due to you." —Mrs. ELIZABETH REINHOLD, 403 N. Pine St., Indianapolis, Indiana.

You should pay heed to the experiences of these women. They know how they felt before taking the Vegetable Compound, and afterwards, too. Their words are true.

D. A. R. MEMBERS ENJOY BOX SUPPER

Pleasant Affair Was Held at Duncan Memorial Tuesday Evening—Delightful Program Carried Out.

An unusually delightful time was enjoyed by a number of the members of the Reverend James Caldwell chapter, Daughters of the American Revolution, and their invited guests at a box supper which was held at the Duncan Memorial last evening. The boxes were unusual in decoration and quite above the standard in contents. Charles M. Strawn was the auctioneer and much merriment was occasioned by the sale of boxes, as there was some spirited bidding among the gentlemen present.

After the supper an excellent program was given, the first number of which was a violin solo by Miss Helen Sorrells, "Indian Snake Dance" (Cecil Burley). This was followed by another number by Miss Sorrells, "From The Cane Brake" (Gardner) and in responding to a hearty encore Miss Sorrells played a waltz by Schubert Franko. She was accompanied by Willard Wesner.

The next number was a reading by Miss Janette Powell of the faculty of Illinois Woman's College. This was Mary Wilkins Freeman's "Gentian," and as an encore number Miss Powell read "The Excursion."

Mrs. Carl E. Robinson next gave a group of songs, "The Bird of the Wilderness" (Horsman), and "The Wind in the South Today" (John Brindley Scott). Mrs. Robinson graciously responded to an encore with "The Birthday" (Cowen).

This closed the very pleasing and informal program and the remainder of the evening was spent in a social way.

YANKEE FIVE WON FROM DAVID PRINCE

Close Game Is Played at Liberty Hall Tuesday Night—Final Score Is 16 to 14.

In a fast and exciting game the Yankee Five defeated David Prince in Liberty hall Tuesday evening. The final score was 16 to 14.

Both teams put up a clean game and there was not much fouling when it is considered the speed at which the teams went.

Blesse, Trahey, Norris, McNamara and Mallen scored the points for the Yankees while Pires, Wright, Fitch, Patterson and Walls were the scorers for David Prince. There was a good crowd present to witness the game and the members of both teams were given enthusiastic support by the rooters.

The score: David Prince: F.G. F.T. Tis. Pires, f. 1 0 2 Wright, f. 1 0 2 Walls, f. 2 0 4 Fitch, c. 1 1 3 Patterson, g. 0 3 3 Hitte, g. 0 0 0 Totals 5 4 14

Yankee Five: F.G. F.T. Tis. Blesse, f. 1 2 4 Trahey, f. 2 0 4 Norris, c. 1 0 2 Mallen, g. 2 0 4 McNamara, g. 1 0 2 Totals 6 2 16

WILL MAKE TRIP TO L. A. REED FARM.

Boys and girls who are interested in pig clubs throughout the county are to assemble at the home of Lester Reed southeast of Jacksonville tomorrow. They will be accompanied by instructors from various schools in the country where the study of agricultural and livestock problems has place.

A number of inquiries were received by Mr. Reed as to the best methods for handling pure bred swine and so the general conference of members of the pig clubs was decided upon. Mr. Reed will make an informal talk to the boys and girls and their instructors and an inspection of the swine yards and houses Mr. Reed maintains will follow.

B. F. Ferguson of Winchester was a caller in the city yesterday.

DEATHS

Christison.

Mrs. Ann Ruth Christison, a well known resident of Winchester, died at the family home at 2 o'clock Tuesday morning.

The remains were brought to the Gillman Funeral Home in this city and prepared for burial.

Mrs. Christison was born February 25, 1840 in the state of Virginia, her parents moved to Illinois when she was fourteen years of age. She was a daughter of John I. and Jane Campbell Barton. She was united in marriage to William Christison at Winchester whose death occurred seven years ago.

The surviving children are John William of Blue Mound; Elbert, of Boody; George of Arkansas; Mrs. Wisdom and Robert of this city; Mrs. Laura, Mitchell of South Haven, Mich., and Jordin L. Christison of this city. A sister also survives, Mrs. Mary Clover, of Cisco, Ill. Deceased leaves twenty grand children and twenty-four great grandchildren and one great-great grandchild. Mrs. Christison was a consistent member of the Methodist church. Interment will be in Jacksonville cemetery and brief services will be held at Funeral Home conducted by Rev. C. D. Robertson, pastor of Centenary church. Those who wish to view the remains may do so by calling at the Gillman Funeral Home.

ILLINOIS PLAYS SHURTLEFF SATURDAY

Will Meet Five of Alton School on David Prince Floor—Blue and White Squad Is Going Good.

Illinois College meets Shurtleff college on the local floor Saturday night in a return game. When the two teams met last Saturday night at Alton, the Illinois players were going in fine form. Their performance was a repetition of their fast play against St. Louis University previous to the holidays with Burrus starting his first game at guard, the Illinois players were a little apprehensive about their defense. Their fears were soon dispelled, however because Burrus and Cully bore the brunt of the Shurtleff attack and for fourteen minutes of the first half prevented Shurtleff from scoring a field goal. Theirs was a clever display of guarding which was so effective that Jones was not missed from his usual position.

Coach Lowery of the Shurtleff team, was disgruntled because of the performance of his men. He warned Coach Harmon after the game in Alton last Saturday night that he would make things interesting for the Illinois players Saturday night. The blue and white players are taking him at his word and feel that with this week's preparation they will be prepared to show Coach Lowery's team an even faster game than that played last week-end.

WALTER L. BOURN HELD SALE TUESDAY

Will Retire From Farming and Engage in Business in Virginia.

Walter L. Bourn, residing northeast of the city held a closing out sale at his farm Tuesday Merle Bedingfield was the auctioneer while Neal Bourn served as clerk.

The sale totaled about \$1,000, offerings bringing fair prices. A Jersey cow and calf sold to James Kennedy for \$67 and a black cow with calf by side was bought by Haney Bliming for \$50. Two other cows sold at \$40 each.

Corn in the crib sold for 37 cents per bushel and timothy hay brought 52 cents per bale. Horses sold cheap while farm implements brought only fair prices.

Mr. Bourn will retire from farming and will remove to Virginia where he expects to engage in business.

Oliver Cromwell of the east part of the county made a trip to the city yesterday.

Edward Ring of Winchester had occasion to come to the city yesterday.

New Home Sanitarium Incorporated Jacksonville, Ill. A Private Surgical Hospital Through its Public Health Department, says— We hereby extend our most sincere thanks to the more than 1100 people who inspected This Institution last Monday afternoon and evening. We are naturally pleased to know that you at least found everything that you expected—and more, as many were kind enough to say. We frankly admit that the number of visitors and interest shown was far beyond our fondest dreams. We feel more than ever the responsibility and duty of coming up to expectations in the future. This is to assure you one and all that so far as human possibilities go you shall not be disappointed. This Institution is Dedicated to Suffering Humanity. By "The Results of our Labors We Shall Be Judged." We ask not for Sympathy or Favors. Just give us Opportunity only and we will continue to prove to the world that "it is a pitiful confession of intellectual INFERIORITY on the part of any Physician, white or black, to appeal to the Sympathies or Prejudices of his race for position and preferment. Prove that you possess Superior Ability and Skill and, regardless of your race or station of birth, I assure you that the human thirst for that which is best will shower you with recognition and crowd the pathway to your office. REMEMBERING, THAT YOU CAN NO MORE HOLD A COMPETENT MAN DOWN THAN YOU CAN AN INCOMPETENT ONE UP." Again we thank you. Dr. A. H. KENNIEBREW Surgeon in Charge.

Let 'Lorain' Cook the Meals Every Day For something particularly appetizing to eat, you need no longer hunt a restaurant. You can have the most tasteful foods at your own home table—not just occasionally, but every day. Every woman has fine recipes, and most women mix ingredients as accurately as the best of chefs. But when it comes to cooking—that's where the professional chef has won out. But not so any more—the LORAIN OVEN HEAT REGULATOR takes the guess and the gamble out of home cooking. It is absolutely accurate and reliable; cooks without mistakes. It needs no watching. Every bit of food is properly cooked. It gives exact results every time. Every meal becomes a delight to your appetite. The world's best chef cannot beat "Lorain" home cooking. When she has a "Lorain," that good woman who is so eager to please you with her cooking, can cook an entire meal—steak or roast, fish or chicken, vegetables, dessert—all at one time and with the same sure success that she can cook the simplest single dish. And she need not once look at the oven until serving time. No More Oven Watching and Guessing The "Lorain" ends her days of guessing, worry and oven slavery. It eases her muscles and nerves and proves to her that the joy of living is not idle talk. Wonderful, simple, accurate, sure—that's the "Lorain." We can't begin to tell the whole story here. But we have a book, "AN EASIER DAY'S WORK," written especially for you. Simply call for your copy. Jacksonville Railway & Light Co. North Side Square, Both Phones

PLAN TO HELP ALONG HOUSING SITUATION

Jacksonville Savings and Loan Association Held Annual Meeting Tuesday Night—Lot Owners Ready to Co-operate in Building Plans.

The annual meeting of the Jacksonville Savings and Loan Association was held Tuesday night at the Chamber of Commerce rooms. The reports of officers were presented and placed on file and presented facts to show the association is in a satisfactory financial condition.

The election resulted in the choice of the following:

President—Dr. J. R. Harker, Vice President—E. L. Kinney, Secretary—Dr. J. O. Applebee, Treasurer—Dr. A. B. Applebee, Directors—F. J. Andrews and Thomas V. Hopper.

The report of the secretary showed that loans of \$14,000 had been made during the past year, bringing the total of business done by the association up to \$32,000.

Plans were presented for the enlargement of the business and it is the purpose of the association to co-operate with the Chamber of Commerce in the effort to encourage building as much as is practicable. A number of persons who own lots have signified their willingness to turn them over to the association, as sites for the building of houses for persons who have some funds. In cases where the situation is satisfactory, the association will advance the part of the funds necessary for building and the lot owners will take a second mortgage to the value of their property.

It is probable that as a result

of this plan that several houses will be erected in the early summer. The lot owners mentioned are willing to co-operate in the plan in order to help out with the general situation.

As has already been stated, it is the wish of the building association to secure a list of persons willing to subscribe for stock when satisfactory loans are available, and the Chamber of Commerce will co-operate in the effort to secure a list of such investors.

EDWARD SCHNEIDER HAS INJURED BACK

Pike County Man Seriously Injured When Struck by Chain—Is at Our Saviour's Hospital.

Edward Schneider, a resident of Pike county is at Our Saviour's hospital in a serious condition as the result of an injury to his spine sustained near Naples Tuesday afternoon.

Schneider is employed by the Nash-Dowdall dredging company which is engaged in work across the river from Naples. He was engaged in hoisting coal when the chain on the hoister broke and struck him in the back. The force of the blow hurled Schneider several feet.

Dr. Alvarez of Naples was summoned and gave first aid and the injured man was brought here on the 9 o'clock Wabash train Tuesday night.

He was taken to Our Saviour's hospital where he was attended by Dr. F. A. Norris. An X-Ray was made of the injury but it does not show any fracture of the spine. However, the injury is a severe one and it is impossible to tell at this time what the outcome will be.

Schneider is a widower and is 32 years of age.

SOCIAL SERVICE LEAGUE WORK IS REVIEWED

Directors Held Monthly Session Tuesday Night—Miss Fowler's Report Shows Comprehensive Work.

The monthly meeting of the directors of the Social Service League was held at their rooms in the Morrison building Tuesday night. The membership of the committee was largely represented and several interesting reports were presented. The committee suggested several changes in the constitution, upon which the directors took favorable action.

Miss Forward's comprehensive report related to the family welfare department, probation department, city matron's work and truancy. Some statistics were also given relative to the Christmas-relief work, showing the number of baskets, tons of coal and various articles contributed by organizations and individuals.

During the month the cases of 113 families were considered and material relief was given to 37. Seventy-six families received personal service. Some of the causes basic in the problems presented were unemployment, physical disability, desertion, old age and mental defectiveness.

During the month the secretary had 11 initial investigations made 177 re-visits and 106 reference visits. In the probation work 18 cases received attention and the proper action was taken in 37 cases of truancy.

PLEASANT EVENT AT WINCHESTER HOME

Mr. and Mrs. Charles T. O'Donnell Entertain Friends—Aged Man Injured by Fall—Other Winchester News Notes.

Winchester, Jan. 10.—Mr. and Mrs. Charles T. O'Donnell entertained about thirty-five of their friends and relatives at their home southeast of Winchester on Monday evening, the event being in honor of Miss Marie Enders and Frank Doyle of Fairbault, Minn. The evening was spent in a delightful way and the pleasure was increased by the excellent musical program rendered. There were both instrumental and vocal numbers, contributed by Father O'Mullane, Misses Nan and Susie O'Donnell, Miss Enders, Misses Hazel Doyle and Marinda Coulton.

At a late hour an excellent luncheon was served and the occasion was in every way enjoyable. Mr. and Mrs. F. L. Dresser have returned to their home in Jerseyville. They were called here on account of the illness of Mrs. Dresser's mother, Mrs. M. L. Jones, whose condition Tuesday was not so favorable.

Paul Carey suffered a severe fall Monday afternoon in front of the Southwell grocery store. His head was badly cut as a result of the fall, and he was given the necessary medical attention by Doctors Day and O'Reilly. He was later taken to his home and cared for by neighbors and friends. His granddaughter, Mrs. Cleo Cumby, was in Alton at the time but arrived home Monday evening. Mr. Carey is 86 years of age and this fact makes his injuries all the more serious. He was reported to be resting more comfortably Tuesday.

Mr. and Mrs. Ben Beird have moved their household goods to a farm near St. Joseph, Mo. Their daughter, Miss Vivian, expects to enter the high school in St. Joseph. Their many friends regret to see them leave the neighborhood but wish them happiness and prosperity in their new home.

Maurice Hogue was before Squire Andell Monday for a preliminary hearing, charged with firing a shot at Harold Fearey—though some weeks since. He was placed under \$2,000 bond to await the action of the grand jury.

Among those who attended the funeral of the little son of Mr. and Mrs. Charles Scott held at the Baptist church Monday were R. D. Mawson, Murrayville, Mrs. Ralph Sibley, Herman Shoemaker, Mr. and Mrs. John Fitzsimmons, Walter Shoemaker, Miss Marie Busey and Mrs. Watt, all of Jacksonville.

The infant child of Mr. and Mrs. William Evans, residing west of town, passed away Tuesday at the family home, following a brief illness.

DAIRYMEN HELD MEETING TUESDAY

Met in Room of County Farm Advisor—Much Interest is Being Shown.

The dairymen of Jacksonville and surrounding country met last night in the rooms of the County Farm Advisor. The dairymen are perfecting an association and the attendance and interest manifested is gratifying to those interested in the organization.

The association now has a membership of thirty-five and at the meeting last night about two-thirds of the membership was present. The organization is working out many details in regard to getting started out right and it is one of the purposes of the association to instill into its members a desire for developing a higher standard of dairy cows and also meet every requirement of the public for high standard quality product.

At last night's meeting the matter of organizing a boys and girls club was discussed and President McPhail appointed a committee to confer with County Advisor Kendall on the matter.

Calf clubs have proven very popular among the boys and girls where they have been properly organized and have been factors in adding much enthusiasm among the older persons and in the developing of a better grade of livestock, together with teaching the young folks a knowledge of business of livestock growing.

Reports of members on the matter of having their herds tubercular tested showed that many are going on with the tests and it is thought that all the herds will have been tested and given a clean health certificate before the city ordinance requiring such regulations goes into effect.

The matter of buying feed cooperatively was also discussed and it is highly probable that this will be done thereby making a considerable saving in the cost. The association expects to meet every two weeks.

GET GAS STATION HAS BEEN COMPLETED

New Station is Located at Luke-
man Motor Company — May
Stucco Entire Lukeman Build-
ing.

The Get Gas White Rock Com-
pany, which has been building
several stations in the city, has
completed a very modern and be-
autiful station at the West State
street entrance to the Lukeman
Motor company building. The
work on the new station has been
in charge of contractor William
Shields.

The whole West State St. side
of the building has been covered
with stucco, and the entrance
built out, making it one of the
most attractive stations in the city.
The several plots of ground will
be made into flower beds and the
three boulevard lights will be in-
stalled. The Get Gas company is
building very attractive stations
on their various sites but none of
them will surpass this one.

George Lukeman, of the Luke-
man Motor company, is so well
pleased with the stucco work on
the West State street side of the

building that he is contemplating
having the same process applied
to the rest of the building.

REV. C. D. ROBERTSON TALKS TO STUDENTS

Makes Address at Morning As-
sembly—Other High School Ac-
tivities.

The regular assembly of the
high school was addressed yester-
day morning by Rev. C. D. Rob-
ertson, of Centenary M. E. church.
Rev. Robertson made an interest-
ing talk to the students on the
value of church affiliations. He
told of the numerous times he had
answered inquiries concerning
students applying for positions,
and every one of them asked if
the student in question had any
church affiliations.

Tardiness Problem.

The tardiness problem of the
High school is being solved, thru
the medium of class spirit. Tard-
iness was growing among all the
classes, so principal Shafer posted
a list on the bulletin board show-
ing the number of tardinesses for
each class. This has created a
sense of rivalry and pride that
has cut the number from 27 and
28 a day to 8 and 9, and is still
on the decrease.

Receives Invitation.

Jacksonville High school has
received an invitation to join the
new Western Illinois high school
conference. A communication
from principal E. B. Freshwater,
of the Macomb High school, was
received by Principal Shafer, ac-
quainting him with the facts.

This new conference would in-
clude Jacksonville, Macomb, Pitts-
field, Quincy, Carthage, Abing-
don, Monmouth and Galesburg,
and is for the purpose of promot-
ing athletics and good fellowship
among these schools. The confer-
ence would provide football,
basketball, and track schedules
that would decide a champion,
and also contests along other lines,
such as music, oratory, etc. The
control of the conference would
be invested in a board of control,
made up of the principals of the
schools represented.

The school authorities are
seriously considering joining the
conference but as yet no definite
action has been taken.

Debating Society.

The Debating Society of the
High school will meet this after-
noon for the regular monthly
meeting. A debate will be on the
program on the question: Res-
olved: That the policy of the
closed shop is justifiable. The af-
firmative will be upheld by Cath-
erine Wilson and Edith Putnam,
and the negative by Frances Gris-
wold and Vivian Pires Five mem-
bers of the society will also be
called upon for extemporaneous
talks.

Girls' Gym Nearly Ready.

The girls' gymnasium in the
new building has almost been put
in shape for the girls basketball
team. The backstops are being
put up and everything will be in
shape for play by next week.
There are five teams, a team from
each class drawn from the mem-
bers of the girls club, and an in-
dependent team made up of girls
not members of the club. Some
intensive rivalry is expected.

all day meeting at the guild house
yesterday. A large number of
ladies were present and at noon
an excellent luncheon was served.
Several hours were spent in mak-
ing surgical dressings for Passa-
vant hospital and in sewing on
linens for the institution.

In the afternoon a business
meeting was held and the annual
reports were given. The report
of the treasurer showed that the
year just passed had been a most
successful one for the guild and
the yearly reports of the officers
indicated that the affairs of the
organization were in excellent
condition.

The following officers were
elected for the coming year:

Sew for Passavant in
All Day Session.

The Ladies' Aid Society of the
Congregational church held an
all day meeting in the rooms at
the Pilgrim Memorial yesterday.
The hours were spent in sewing
and making surgical dressings for
Passavant hospital. At noon a
luncheon was served and during
the afternoon there was a business
session. The society has recently
adopted a new constitution and
standing committees have been
appointed. These committees
give reports and a number of
items of business were given at-
tention. Miss Maria Fairbanks,
president of the Aid presided at
the meeting and Mrs. T. P. Car-
ter, the secretary gave a report.

"India" Subject at
Missionary Meeting.

"Among Indias' Millions" was
the subject for discussion at a
meeting of the Ella Ewing Mis-
sionary Society of Central Chris-
tian church last evening at the
home of Mrs. Ed Bagale on North
Diamond street. Miss Grace Fil-
son was the assistant hostess for
the evening.

The evening's program was led
by Mrs. Jerome Culp and the fol-
lowing talks were given on life
in India. "Talks on India," by
Miss Katie V. Clarkson, "Human
and Natural Resources," by Miss
Esther Carlson, "Health Condi-
tions and Physical Ministry," by
Miss Ruth Henderson, "Industry
and the Gospel of Labor," by Mrs.
A. F. Armstrong, and "Social
Conditions and Conservatism of
Life," Miss Ethel Shortridge. A
pleasant social hour followed the
program.

Hostess to Club.

Mrs. M. R. Range entertained
the members of her club yesterday
afternoon at her home on Pine
street. Nearly all members of
the club were present and a very
delightful afternoon had been
planned by the hostess. Dainty
refreshments were served and the
event proved most enjoyable in
every way.

State Street Church Mission Society Meets.

The Woman's Foreign Mission-
ary Society of State Street Pres-
byterian church met Tuesday af-
ternoon at the church. The sub-
ject for the afternoon was, "Im-
migration a Great National Prob-
lem," and some excellent talks
were given by different members
of the society. A social hour
closed the afternoon.

Mrs. Baldwin Hostess to East Side Club.

Mrs. A. C. Baldwin was the
hostess at a meeting of the East Side
Tuesday club yesterday afternoon
at her home on East College Ave-
nue. "Money, a Medium of Ex-
change," was the subject of an in-
teresting paper by Mrs. E. L. Kin-
ney. Mrs. A. C. Baldwin gave
some very practical hints on the
use of the family budget system
and members answered roll call
with items on "How I Econom-
ize."

The usual pleasant social hour
was then enjoyed and the hostess
passed dainty refreshments.

Grace Mission Society at Home of Mrs. Lent.

Mrs. C. W. Lent entertained
the Woman's Foreign Missionary
Society of Grace M. E. church yester-
day afternoon at her home on
South Prairie street. During the
business session which preceded
the program Mrs. Clarence Rata-
chak was elected superintendent
of King's Herald and Miss Mary
La Rue named as her assistant.

Mrs. H. A. Perrin led the de-
votional services and Mrs. Hugh
Green had charge of the study
hour. Mrs. George Baxter read
from the Missionary leaflet and
Mrs. James Mahon gave a group
of much appreciated solos.

A pleasant social hour and the
serving of delicious refreshments
closed the afternoon. Mrs. Lent
was assisted in entertaining by
Mrs. J. J. Reeve, Mrs. J. R. Davis,
Mrs. Dunlap, Mrs. E. D. Herald,
Miss Laura Fox, Misses Nettie
and Katherine Evans and Mrs.
Filson.

Strawn's Crossing Club Met With Mrs. Al Foster

The Strawn's Crossing Club met
yesterday afternoon with Mrs. Al
Foster of Vandalia Road with a
good attendance of members and
several visitors. The members
who were to have presented pa-
pers at the meeting were unable
to be present and Mrs. Harry Fos-
ter gave a paper on Starved Rock.
The members responded to roll
call with current events. A social
hour followed and the hostess

DISCUSS PAVEMENT FOR MORTON ROAD

City Ready to Provide for Its
Share of Cost—County Offi-
cials Will Aid When Best Meth-
od is Found

City and county road officials
and the hard roads committee of
the Chamber of Commerce met at
the chamber yesterday morning to
discuss the paving of the road con-
necting Morton avenue and the
hard road.

The representatives of the city
indicated their willingness to pay
the city's part of the property.
The procedure will be to assess ad-
jacent property according to the
benefit and for the city to pay the
balance. County officials indi-
cated their wish to do whatever
is the county's share of the im-
provement.

L. V. Baldwin, superintendent
of highways, explained some of
the facts about the joint owner-
ship of the roadway and referred
to an agreement made several
years ago between the city and the
county with reference to this im-
provement.

A new bridge will be necessary
when the pavement is laid and it
was decided that this matter
should be taken up with the state
highway department with the
thought that the cost of the bridge
should probably be paid from state
funds.

Those in attendance at yester-
day's meeting included Mayor
Crabtree, City Engineer Hender-
son, Superintendent of Streets
White, and the following men of
the Chamber of Commerce hard
roads committee: J. G. Berger,
W. E. Sullivan, T. M. Tomlinson,
County Superintendent of High-
ways, Larry Baldwin, George
Wheeler, Edward Osborne and
Frank L. Mawson. These men
represent the Chamber of Com-
merce, the Morgan County Good
Roads Association and the Auto-
mobile Dealers Association.

ATTENTION ELKS!

Regular meeting of B. P. O.
E. No. 682 will be
held this eve-
ning at 7:30
o'clock. Reports of

Opportunity Circle of Grace Church Meets.

The regular monthly social
meeting of the Opportunity Circle
of Grace M. E. church was held
Tuesday evening at the home of
Mr. and Mrs. P. F. Phipps of West
College avenue. The devotionals
were in charge of Mrs. Howard
Cully, and the program included
the following:

Duet—Mr. Phipps and Miss
Beulah Tull.

Reading—Miss Tull.

Piano solo—Miss Frances
Phipps.

During the social hour which
followed the program various
games furnished the amusement.
Delicious refreshments were
served by the hostess. Among the
guests was Mrs. George Green of
Astoria, a sister of the hostess.

Met Tuesday.

but how easy is it to keep on?

Does ambition last, or lag, as
the day develops?

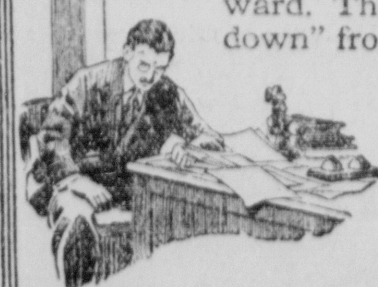

The afternoon "slump" is a fac-
tor to be counted upon, in business

Usually, there's a reason.

Nerves whipped by tea or coffee
won't keep on running, and they
won't stand constant whipping.

Many a man or woman who
has wished the afternoon would be
as bright as the morning has
simply been wishing that the
nerves wouldn't have to pay the
natural penalty for being whipped
with the caffeine drug.

Col. C. R. Miller, director of the public works and buildings, will also be present.

The second meeting will be held on or near February 4th, and will be a get together meeting for the traveling men of the city with the Chamber of Commerce.

On February 13th a meeting will be held for the discussion of the housing situation. February 27th the extension of the water mains will be discussed, and on March 14th the public health of the city will be taken up with regard to a "paint up and clean up week" campaign. Also during this period there will be a meeting for the discussion of a city plan commission as recommended and outlined by the Kiwanis club. No date for this meeting has as yet been set.

LUTHERANS HOLD
ANNUAL MEETING

Last Sunday, Jan. 8, the annual business meeting of the Salem Lutheran congregation was held in the church auditorium with an attendance of 80 per cent of the voting membership. Four young men were received as voting members, viz.: Floyd F. Ehlert, Clarence H. Muehlhausen, Harold W. Perbix and Lloyd Zimmerman.

Election of officers was held which resulted as follows: Deacons—J. H. Holze, J. Fred Moeller, Louis Perbix, W. H. Roeger.

Trustees—William Batz, Phil Schulz, Sr., Louis Perbix, Chairman, Chris Henze.

German secretary—Phil Schulz Sr.

English secretary—Robert L. Stice.

Financial secretary—Edward Wiegand.

Treasurer—William Batz. The treasurer's report in condensed form is as follows: General Fund: Receipts, \$2,101.06; disbursements, \$2,065.86; balance, \$35.20. Benevolences: Receipts, \$765.15.

New Church Fund: Receipts, \$2,353.96; on hand and loaned out, \$10,000; pledged, \$12,500. This does not include several thousand which the several SH thousand dollars which the several church societies have on hand.

An important change was effected in regard to the Sunday services. Thus far the morning services on first and third Sundays of the month were held in the English language. The other Sunday morning services were conducted in the German language. To satisfy the growing demand for more English morning services, it was decided to henceforth have Sunday school from 9 to 10 a. m., English services every Sunday from 10 to 11 a. m., and German from 11 to 12 a. m. All evening services to remain English.

The Salem Lutheran congregation numbers 307 souls, 208 communicant members, 53 voting members.

If no unforeseen contingency arises the congregation expects to proceed with its building program. The dwelling, which is to be the future parsonage, is now undergoing remodeling, the cost of which will be over \$2,000. In the spring work on the new church is to begin.

DOWNWARD SWING OF WHEAT MARKET
By Associated Press.
CHICAGO, Jan. 10.—Assertions that drought in the southwest had been effectively broken did not good deal today to give a downward swing to the wheat market. Prices closed heavy 2½ to 3c net lower with May \$1.10½ to \$1.09 and July 98½ to 98½c. Corn lost ½ to ¾c and oats 10¢ to 12c. In provisions there were gains of 2½ to 15c.

Rains which fell where most needed in the winter wheat belt and which many traders said might prove to be the salvation of the Kansas crop gave bears a big advantage from the outset. With long unloading and with the market nearly devoid of support sentiment against the bulls received additional impetus from reports that Argentine wheat was selling in Europe at 5c to 10c under United States hard winter wheat shipped by way of the Gulf of Mexico. Cancellation of some export sales at the Gulf counted late in the day as a further depressing influence and so likewise did gossip current about bank troubles in France. On the decline which resulted July wheat was forced sharply below \$1. Contrary to expectation in some quarters the amount of buying after the market went into the nineties was but little enlarged and the finish was at almost the bottom figures of the session. Corn and oats showed considerable resistance. Selling pressure excellent demand for corn being in evidence from the seaboard. Besides there was a fair call for oats.

Notwithstanding weakness in the hog market, provisions continued to advance helped by the fact that stocks have been accumulating more slowly than usual.

MODERATE DEALINGS IN STOCK MARKET
By Associated Press.
NEW YORK, Jan. 10.—Dealings in stocks today again were on a moderate scale and subordinated to the money market, where abundant supply of call and time funds resulted in further ease.

Reports that many of the larger local financial institutions have discharged their federal reserve debits coupled with lower discounts by the Dallas (Texas) federal reserve band, strengthened the belief that another cut is impending here.

Demand loans opened at 3½ per cent, the minimum initial quotation in over three years subsequent to 1917, and were offered at 4½ to 4¾ per cent on today's low figures.

Time funds for all dated were offered at 4½ to 4¾ per cent on mixed collateral.

Stocks continued to reflect the many cross currents still prevailing in the commercial and industrial markets.

Prices were lower at the outset, rallying variably at mid-day, only to manifest irregularity in the last dealings.

Junior rails especially Erie issues and Chicago and Northwest which featured the unsettlement of the previous strength on assurances from official sources. Sales amounted to 500,000 shares.

The bond market derived further upward impetus from easy money. U. S. war issues were active and strong, Liberty 3½s making a new high at \$96.80 and Victory notes breaking into new ground, the 3½s selling at \$100.10 and the 4½s at \$100.12.

There was also a broad demand for investment rails, chiefly Pacifics, granaries and coals. Total sales (par value) aggregated \$23,850,000.

LITERBERRY CHURCH SOCIETIES MET
Mrs. Oscar Petefish Is Hostess to Two Ladies Aid Societies—Other News From Literberry.

Literberry, Jan. 10.—Mrs. Oscar Petefish of "Golden Green" entertained the Literberry M. E. society and the Ladies Aid of the Baptist church on Thursday.

Mrs. Guy and Mrs. Obermeyer conducted the devotional service. There came music on the Victrola, Scripture reading; Prayer, by Mrs. Deatherage and Mrs. Underbrink. The Baptist session came first. Reports were given and accepted and all business arranged in a satisfactory manner.

Underbrink gave a New Year's reading, closing with the poem, "Ring Out the Old, Ring in the New."

There was a birthday reminder conducted by Mrs. Dunlap. In different places in the room were placed something to represent each month. The ladies were invited to hunt a reminder of their birth month.

Those who had birthdays in January found the calendar hanging on the cold side of the room and January was the month on display. All whose birthdays came in February were attracted to a bunch of card board hatchets all in bright colors hanging pretty close to old January.

Those born in March and April soon found some rubber shoes and a rain coat hanging behind the stove.

There were buds and flowers to represent May and June and were gathered by old and young. Those standing under the Stars and Stripes felt very much honored and claimed July as their birth month.

A bunch of pretty fans hung from the ceiling and the girls celebrated their births in August, soon took possession of them.

Those who claimed births in September and October trimmed work baskets with autumn leaves and filled them with nuts.

Turkey feathers adorned the mantel shelf and were reminders to those who celebrate November; while those born in December soon found the Christmas bells and mistletoe.

The M. E. society held a short business session, some letters and reports were disposed of, followed by a mission play entitled, "The Notion Counter." To illustrate the play, pins, needles, scissors, tape-measure and magnet were used.

Mrs. Guy said the pins represented the pins of the church and should be fixed at every service, with earnest people, glad to hear and encourage the minister.

Mrs. C. A. Beavers said the needles were the missionary members. She divided them into three classes, sewing needles, doing the common work of the church, looking after the home affairs, the Sunday school and prayer meetings, never seeking for glory nor honor, but always busy in a quiet humble manner.

The second class are the darners with big eyes, looking after new openings for the church. Serving as officers and delegates, doing the business of the church.

The third class are the em-broidery needles, who look after colleges and universities, home and foreign missions, new world movements and million dollar budgets and are on the board of church promotion and finance.

The One-Ton Truck

The Ford One-Ton Truck first made its appeal to the farmer and the merchant because of the merits of Ford Cars. And it made its wonderful reputation and great sales record because it lived up to every claim made for it.

The reliable Ford Motor, the special Ford steel chassis, the aluminum bronze worm-drive, all combine to produce a truck of unusual power, capacity and strength—a truck that lasts in service; a truck that solves the haulage problem at a very small operating and upkeep expense. Hence the demand for the Ford One-Ton Truck is constantly on the increase.

For the good of your business, whether it be farming, merchandising or manufacturing, you should come in and look over the Ford One-Ton Truck—NOW!

IMPORTANT

We are prepared to furnish the Ford Truck equipped either with Standard or Special Gearing. The Standard Gearing gives the truck a maximum of power. The Special Gearing increases the speed of the truck from five to seven miles an hour, converting it into a Fast Delivery Car.

CLOVERLEAF PRESS ANNUAL MEETING

Local Concern Has Had Satisfactory Year—Make Plans for Country Wide Advertising Campaign.

The annual meeting of the directors and stockholders of the Cloverleaf Press, Inc., was held Tuesday morning at 10 A. M. at the company's plant, 307 East Court St., City.

The Cloverleaf Press conducts a printing, publishing and advertising business and was organized one year ago. The report of business for 1921 was very satisfactory, showing an increase in sales every month since organization.

The equipment of the establishment has been increased by the addition of a Melhu Press so that the equipment comprises every modern facility for printing. Recently an addition of three American Multigraphing Machines have been made to enable the plant to carry on direct mail campaigns, in their entirety.

The directors made appropriation at their meeting for carrying out National Advertising for 1922 in the Ladies' Home Journal. Promoting its specialty boxes of personal stationery which have become very popular. In this manner the company expects to bring to Jacksonville printing from all over the United States.

In addition to the old directors being elected, Maurice Peckham was elected a director for the ensuing year. Mr. Peckham is in charge of the mechanical production of the plant.

At the directors meeting the officers were all re-elected.
